PRICE INCREASE

Due to the rising costs of the ingredients needed to make pyrohy (pierogi) and halubsti (cabbage rolls) we will be raising our prices beginning October 1, 2023. Please let your family and friends know about this change in our prices.

Pyrohy will be \$7.00 a dozen

Halubsti will be \$2.50 each

SAINTS OF UKRAINE

This will be a continuing series in our bulletin that will introduce you to the many saints of Ukraine.

After the **Christianization of Ukraine**, the Ukrainian church initially venerated the saints of the Byzantine church. It soon began to recognize some saints of the Roman church, particularly those in the **calendar** of Western **Slavic** churches (eg, Viacheslav). The early Ukrainian church also venerated **Saint Cyril** and **Saint Methodius**, the original missionaries to the **Slavs**, who were not recognized by **Byzantium**. All saints were commemorated on the appropriate day, as recorded in the church calendar (*misiatseslov* or **menaion**). The Ukrainian church also encouraged the development of cults of its own saints.

The first native **Rus'** saints were **Saints Borys and Hlib**, the martyred sons of **Volodymyr the Great**, who were canonized in the 11th century. **Princess Olha** and Volodymyr were canonized by **Metropolitan Ilarion** ca 1037–50, although they were not assigned a feast day until later (Volodymyr's was set only in 1254 or 1263). **Saint Theodosius of the Caves** (d 1074) was canonized in 1108, and **Saint Anthony of the Caves** in the early 13th century. The early **monks** buried in the **Kyivan Cave Monastery** (approx 118 in all), many of whom are known only by their first names, were collectively canonized

by **Metropolitan Petro Mohyla** in 1643, during services held on 28 August and 28 September. The earliest Ukrainian saints were often monks who devoted themselves to caring for the sick (eg, Ahapii, Damian of the Caves). Others were secular figures or churchmen involved in other work, eg, **Saint Kuksha** (a missionary); **Nestor the Chronicler; Master Olimpii** (an **icon painter**, d 1114); and Sviatoslav (Sviatosha), prince of **Lutsk** (d 1142). *Iurodyvi* or 'fools for Christ,' persons who were known for their remarkable piety but also their aberrant behaviour, were rarely beatified in medieval Ukraine, although they were often venerated in **Muscovy**. A large number of church hierarchs became saints, beginning with **Stefan of Kyiv, bishop of Volodymyr-Volynskyi** (d 1094); **Bishop Yefrem of Pereiaslav** (d 1098); Teoctistos, bishop of **Chernihiv** (d 1123); and **Cyril of Turiv** (d 1189).

We will touch on the lives and times of Saints Cyril and Methodius in next week's bulletin.
